

Joint Base McGuire-Dix-Lakehurst Chapels

The mission of the Chapel Program at JB MDL is to meet the religious and spiritual needs of Service members and their families. This program offers a variety of religious activities, including Bible studies for all ages, children's church and youth ministry.

There are five chapels across the joint base to serve the community. The chapels are operated by the Joint Base Chapel Staff, which includes Air Force, Navy, and Army religious support teams (RSTs). An RST includes a Chaplain and Chaplain Assistant who are assigned to cover every unit on the joint base to conduct visitation, advise leadership and boost morale.
